Sir:

On September 28, 2009, a Notice of Allowance was entered in the above-identified patent application. The issue fee has not been paid. The Notice of Allowance nor any previous office action has acknowledged the claim of foreign priority, nor receipt of the certified copy of the priority documents recorded at the USPTO on October 12, 2003. Applicant requests a Supplemental Notice of Allowance acknowledging the claim of priority and receipt of the certified copy of the priority documents. No fee is necessary since such oversight was not due to any error by Applicant.

Respectfully submitted,
